SUGAR PLUM STOCKING TREATS

BLOCK 4, SWEET DREAMS

8½" x 8½"

Background block: Measurements are unfinished size

ASSEMBLY DIRECTIONS

Cut the stocking cuff from white snowflake fabric (If you use a fabric that doesn't blend with the background, the shirt, hands and lollipop stick won't look right).

The cuff areas between the sleeve and lollipop stick are appliquéd, but not embroidered with a blanket stitch.

The finished mouse will have the top of the shirt in the dotted background fabric and the bottom of the shirt in the white cuff fabric.

Prepare appliquéd using your preferred method. Follow color photo for fabrics needed, and cut these from your layer cake.

Appliqué the stocking, cuff, heel, toe, and star.

Place block and pattern right side up over a light box or bright window. Trace the mouse, mouse's face, pillow, shirt, hands, lollipop, stick and stocking hanger with a fabric pencil or water erasable marker.

Complete embroidery.
