

This is a just a little love story

Meet Sir Rufus Rascal, He was my Christmas present in 08. He was the only Pomeranian in a house of Maltese

A little camera shy and for some reason the Maltese dogs didn't want to play with him. He was so sad.

To make Rascal Happy we bought a playmate for him, meet Lady Roxy Valentine

So Happy with his new friend

Stick with me kid, I'll keep you safe

Roxy thinks someone is trying to steal the food, so she is on guard duty

Time for some cuddle time

and a little snack

Someone mentioned she looked like a Ewok so a granddaughter made her a hood.

A big case of Pom uglies,  
thankfully it is just a growing  
up phase.

What a handsome couple they  
are, and they lived Happily  
ever after.

And so the story goes, Rascal and  
Roxy will be expecting their first  
babies in September
