8½" x 8½"

Background block: Measurements are unfinished size

### ASSEMBLY DIRECTIONS

Prepare appliqué using your preferred method. Follow color photo for fabrics needed and cut these from your layer cake.

Place the angel's face and pattern right side up over a light box or bright window. Trace the eyes, cheeks, mouth and bangs with a fabric pencil or water erasable marker. (Hint: It might be easier for you to just "free hand" the angel's cheeks)

Center angel, stocking and stars on background following color photo and numbers on pattern. Appliqué.

Place block back over pattern and trace the angel's hair, halo, stocking hanger and star string onto background with a fabric pencil or water erasable marker.

Complete embroidery.
